When the British left India, there were around 565 princely states that gained independence and at that time were not in the Indian Union. Sardar Patel did a commendable job of uniting these kingdoms with the Union of India, using either his convincing abilities or military prowess. He was very clear in his objective that the map of India must be united throughout its length and breadth. Shri R.S.Mulimani Principal National Unity Day is a day to remember the man behind the politically united map of India and to commemorate his birthday. Sardar Patel was incomparable in his contribution to the unity of India and the day is the least we can do to honor him. And S.V.Angadi Present on this Function. the presidential remarks laxmi Hadimani welcomed with prayer song. Shri S.H.Sankanagoudra gave the welcome speech. . Shri S.R.Malagi introduced

Against Corruption JATHA in Badami on 07-11-2023

Shri Veer Pulikeshi VidyaVardhak Samstha's Shri.S.B.Mamadapur Arts,Commerce &Science College has organized programme on under the IQAC and NSS **Speech by Chief Guest Shri Manju Matti on "Against Corruption"** **Respected dignitaries, dear students, faculty, and esteemed guests,**

Corruption is often seen as an abstract problem, a distant issue that only involves politicians, officials, or large institutions. However, the truth is that corruption touches every individual. It influences our daily lives—whether it's the bribe you pay to expedite a government process, the unfair advantage someone gets because of nepotism, or the emotional and financial cost of dealing with dishonest practices.

As we discuss corruption today, we must first understand its true nature. It is not just about money changing hands under the table; it is about undermining trust, integrity, and fairness. It erodes the foundations of institutions and creates a culture of inequality. It weakens accountability and transparency, making it difficult for justice to prevail. Presidential Speech Shri R.S.Mulimani, Corruption is not just a political issue—it's a moral one. It is an assault on the trust between the government and the people. It steals from our children, our communities, and our future. And we cannot, and will not, allow it to continue.

Miss Nanda Jaliha welcomed with prayer song. Shri S.R.Malagi gave the welcome speech. Shri,S.V.Angadi introduced the chief guest. Shri.B.K.Kattimani proposed vote of thanks. Smt S.S.Patil hosted the programme.

World Heritage Week

Shri Veer Pulikeshi VidyaVardhak Samstha's Shri S.B.Mamadapur Arts, Commerce & Science College has organized programme on under IQAC & NSS Units On 19-11-2023 on Smt. Salvi D'souza were to address an audience on this occasion, her speech could cover various important topics:

India, in particular, is a land steeped in history, with a tapestry of cultural, architectural, and natural treasures that are unparalleled in their diversity. From the majestic temples of Khajuraho to the architectural brilliance of the Taj Mahal, from the cultural festivals of Varanasi to the serene beauty of the Western Ghats, our heritage is a rich mosaic that reflects our unity in diversity.

However, with this privilege comes great responsibility. We must understand that heritage is not just a legacy; it is an ongoing dialogue between past and present. It is our collective duty to protect these monuments, traditions, languages, and art forms, for they are not only symbols of our history but also bearers of our identity.

In today's fast-paced world, where technology and urbanization often take precedence, it is easy to overlook the importance of conservation. But it is in these very moments that we must stand firm in our resolve to preserve the stories, traditions, and landmarks that speak of our shared human experience. Every stone, every mural, every folk dance, and every ritual is a testament to our ancestors' creativity, perseverance, and vision.

Shri. R.S.Mulimani Principal Speech Presidential remarks. Kumari Lakshmi Hadimani welcomed with prayer song. Shri S.R.Malagi IQAC Co-

AIDS Awareness Program

Shri Veer Pulikeshi VidyaVardhak Samstha's Shri S.B.Mamadapur Arts, Commerce & Science College has organized programme on under NSS Units On 01-12-2023 on Shri S.S.Aland Associate Professor gave a special lecture On this occasion. Since HIV attacks and infects the WBCs of the human body, it lowers the overall immune system of the human body and resulting in the infected individual, vulnerable to any other disease or minor infection. The incubation period for AIDS is much longer as compared to other diseases. It takes around 0-12 years for the symptoms to appear promptly. Shri A.A.Topalakatti Till date, no treatment or cure is available for curing AIDS, and as a result, it is a life-threatening disease. As a practice by medical practitioners, the best way to curb its spread is antiretroviral therapy or ART.

It is a drug therapy which prevents HIV from replicating and hence slows down its progress. It is always advisable to start the treatment at the earliest to minimize the damage to the immune system. Shri. R.S.Mulimani Principal Life for an individual becomes hell after being tested positive for AIDS. It is not only the disease but also the social stigma and discrimination, felling of being not loved and being hated acts as a slow poison. We need to in still the belief among them, through our love and care, that the HIV positive patients can still lead a long and healthy life. And the presidential remarks.

Kumari Sahana Totad welcomed with prayer song. Shri S.R.Malagi IQAC Co-ordinator gave the welcome speech. Shri B.K.Kattimani NSS Program Officer introduced the chief guest. Shri M.B.Dodamani Assistant

Beti Bachavo Beti Padavo Program

Shri Veer Pulikeshi VidyaVardhak Samstha's Shri.S.B.Mamadapur Arts,Commerce &Science College has organized programme on under the NSS Speech by Chief Guest V. Hanumantappa on the Beti Bachao Beti Padhao Program

Respected dignitaries on the dais, esteemed guests, teachers, parents, students, and my dear friends, Good morning to all of you. It is both an honor and a privilege to stand before you today on this momentous occasion where we come together to celebrate and further the cause of the **Beti Bachao Beti Padhao** program. This initiative, which has been launched by the Government of India, aims to address the pressing issues of female empowerment, gender equality, and the well-being of girls in our society. **Beti Bachao Beti Padhao** is not just a campaign; it is a movement that seeks to transform societal mindsets, to ensure that every girl, regardless of her background, has the opportunity to live her life with dignity, respect, and full access to opportunities. **Beti Bachao** — *Save the Girl Child*. This aspect of the program calls on us to protect the rights and lives of our daughters, who in many places are still victims of gender-based discrimination. We have witnessed in some parts of our country the preference for male children, leading to practices such as female feticide and neglect. The Beti Bachao campaign urges us to challenge these harmful mindsets and to promote the sanctity of life for every girl child.

Shri R.S.Mulimani President Speech The *Beti Bachao Beti Padhao* program was launched with the vision of addressing the gender imbalances that have historically plagued our society. It seeks to empower and uplift the girl child, recognizing her as an equal contributor to the social, economic, and cultural development of India. Today, we stand as witnesses to the transformative power of this program and its significant impact on the lives of millions of girls across our country.

Constitution Awareness JATHA in Badami 22-02-2024

Shri Veer Pulikeshi Vidya Vardhak Samstha's Shri.S.B.Mamadapur Arts,Commerce &Science College has organized programme on under IQAC & NSS Speech by Chief Guest **Shri S.S. Mulimani** On the occasion of Constitution Awareness Jatha,

Respected dignitaries, esteemed guests, dear students, and my fellow citizens,

Good morning to all of you. It is a privilege and an honor to stand before you today on such an important occasion — the Constitution Awareness Jatha.

We are gathered here today not just to commemorate the Constitution of India, but to reflect on the values and principles that it stands for. The Constitution is not just a legal document — it is the very foundation upon which our great nation stands. It is the guiding light that ensures justice, equality, and freedom for every citizen of India, irrespective of caste, creed, religion, or gender.

The Constitution: A Vision of Unity and Equality

When Dr. B.R. Ambedkar and the framers of our Constitution met in 1947, they had a singular vision: to build a country that embodies the ideals of liberty, equality, and fraternity. They understood that true democracy is not just about the right to vote, but about ensuring that every individual has access to equal opportunities, that all communities are treated with respect, and that the dignity of the individual is upheld at all times.

The Constitution laid down the principles that would guide the governance of our nation, focusing on fundamental rights, duties, and the rule of law. It guarantees the right to freedom of speech, the right to practice one's religion, and the right to live with dignity. It enshrines the ideals of secularism, socialism, and democracy — all of which are pillars of our society today.

REPORT

05-06-2024

World Environmental Day on 05-06-2024

Shri Veer Pulikeshi Vidya Vardhak Samstha's Shri S.B.Mamadapur Arts, Commerce & Science College has organized programme on under IQAC & NSS Units On 05-06-2024 on Dr. Muttanna Kalasad gave a special lecture on this occasion. We must also focus on innovation. Advances in renewable energy, sustainable agriculture, and waste management offer hope for a cleaner, greener future. But innovation must be coupled with responsibility—responsibility to ensure that these solutions are accessible to all, and that we are not leaving behind vulnerable communities in the pursuit of progress. Moreover, the health of our environment is not just about mitigating damage, but also about restoration. Our forests, rivers, and oceans need to be nurtured back to health. Restoration projects, conservation efforts, and the protection of endangered species are not just acts of kindness, they are investments in our future. As a community, we need to come together to rebuild what we have lost. Shri. R.S.Mulimani Principal he themes for this year's World Environment Day—*“Restore Our Earth”—*is a call to action that cannot be ignored. Our world faces unprecedented environmental challenges, from climate change and deforestation to pollution and loss of biodiversity. These issues threaten not only our ecosystems but also the social and economic well-being of millions of people around the globe. The need for environmental restoration is no longer an option—it is an urgent necessity.

Kumari Sahana Totad welcomed with prayer song. Shri S.R.Malagi IQAC Co-ordinator gave the welcome speech. Shri B.K.Kattimani NSS Program Officer introduced the chief guest. Shri M.B.Dodamani Assistant Professor

REPORT

12-06-2024

AGAINST CHILD LABOUR DAY on 12-06-2024

Shri Veer Pulikeshi Vidya Vardhak Samstha's Shri S.B.Mamadapur Arts, Commerce & Science College has organized programme on under IQAC & NSS Units On 05-06-2024 on Shri. Ramesh Upaladinni gave a special lecture on this occasion. Child labor remains one of the most serious issues affecting millions of children around the world. According to international organizations like the International Labour Organization (ILO), there are still over 150 million children engaged in child labor globally. These children are deprived of their basic rights, including the right to education, the right to play, and the right to a childhood.

Today, as we observe Against Child Labour Day, we not only raise awareness about this grave issue but also renew our commitment to eliminating child labor from society. Our responsibility, as citizens and as a nation, is to create an environment where no child is forced into work, but rather, where they are encouraged to attend school, develop their talents, and build a future full of hope and possibilities.

Shri. R.S.Mulimani Principal Child labor is a complex issue with deep-rooted causes. Poverty is the primary driver; families facing extreme economic hardship often see child labor as a necessary means of survival. In many rural and urban areas, children are pushed into work instead of being enrolled in schools, as their families cannot afford to send them to school or provide the necessary educational resources..

Kumari Lakshmi Hadimani welcomed with prayer song. Shri S.R.Malagi IQAC Co-ordinator gave the welcome speech. Shri B.K.Kattimani NSS Program Officer introduced the chief guest. Shri M.B.Dodamani Assistant

SAVE WATER PROGRAM on 12-06-2024

Shri Veer Pulikeshi VidyaVardhak Samstha's Shri S.B.Mamadapur Arts, Commerce & Science College has organized programme on under IQAC & NSS Units On 12-06-2024 on Shri. Ravishankar Goudar gave a special lecture on this occasion. There are several simple yet effective ways in which we can all contribute to saving water in our daily lives:

1. Rainwater Harvesting: We must encourage and implement rainwater harvesting systems at the household, institutional, and community levels. By capturing rainwater, we can replenish local groundwater supplies and reduce dependence on external sources of water.
2. Water-Efficient Appliances: The use of water-efficient taps, showerheads, and toilets can significantly reduce water consumption. In our homes, schools, and offices, small changes like fixing leaks, using water-efficient appliances, and reusing water can make a big difference.
3. Awareness Campaigns: It is important to raise awareness about the value of water and the need for its conservation. Schools, colleges, and local communities must take part in spreading the message of water conservation. Engaging young minds is essential, as they are the future custodians of our planet.
4. Sustainable Agriculture: Farmers must be encouraged to adopt water-efficient agricultural practices, such as drip irrigation, which can help reduce water wastage while increasing crop yield.
5. Reduce, Reuse, Recycle: We must make it a habit to reduce our water consumption in every way possible. Recycling greywater, using it for

International Yoga Day

Shri Veer Pulikeshi Vidya Vardhak Samstha's Shri.S.B.Mamadapur Arts,Commerce &Science College has organized programme on under IQAC & NSS Speech by **Chief Guest Smt. A.B. Janali** at the International Yoga Day Program, Respected dignitaries, esteemed guests, yoga practitioners, and my dear friends, A very warm and joyful morning to all of you.

It is indeed an honor and a privilege to be here today, as we come together to celebrate the 10th edition of International Yoga Day, a day dedicated to promoting the physical, mental, and spiritual benefits of yoga. This day, observed worldwide on the 21st of June, is not just a celebration but a reminder of the timeless wisdom and practice that has transcended generations, cultures, and borders.As I stand before you, I am deeply moved by the power of yoga in bringing people from all walks of life together in harmony. Yoga is not just a set of physical exercises; it is a philosophy, a way of life, and a path to inner peace. It is a unique gift from our ancient culture to the modern world, which continues to grow in its relevance, especially in the fast-paced, often stressful lives we lead today.

The theme for this year's International Yoga Day is "Yoga for Universal Health," and it could not have been more apt. The global community is facing unprecedented health challenges, not only physical but also mental and emotional. Yoga, with its holistic approach, offers an effective way to address these challenges. Through asanas (physical postures), pranayama (breathing techniques), and meditation, yoga helps us achieve a balanced life and a healthy mind.Shri S.N.Benal Presidential specked country **Lakshmi Hadimani** welcomed with prayer song. Presence **Shri S.R.Malagi** introduced the chief guest. **Shri.B.K.Kattimani** gave the welcome speech. **Smt.S.S.Patil** proposed

POCSO Act: A Shield for Children

The POCSO Act, enacted in 2012, is a landmark legislation designed to protect children from sexual abuse, exploitation, and harassment. The protection of children is not only a legal requirement but also a moral responsibility. The Act provides a comprehensive framework for the protection of children from sexual offenses, including both physical and online threats.

It is important for all of us to understand that POCSO is not just about legal measures, but about creating an environment where children feel safe, heard, and empowered to speak out against any form of abuse. This law mandates strict punishment for offenders, with a focus on speedy trials and victim support. It also emphasizes the role of authorities, parents, and society in creating awareness, preventing abuse, and ensuring that the child's welfare is prioritized at every stage of the judicial process.

One of the key features of POCSO is its focus on child-friendly processes in dealing with cases of sexual abuse. It ensures that children are not traumatized by the legal procedures and are provided with necessary care, support, and counseling.

However, as important as these legal provisions are, awareness remains our greatest tool in preventing child sexual abuse. Through

awareness programs like this one, we are collectively working towards creating a society where every child can grow up free from fear.

Sakhi: Empowering Women and Children

Alongside POCSO, the Sakhi initiative plays a pivotal role in empowering women and children, especially those who have been subjected to violence and abuse. Sakhi provides not just shelter and protection but also legal, psychological, and emotional support to victims of violence. This initiative is critical because it addresses the often ignored aspect of recovery and rehabilitation for survivors of sexual offenses.

What makes the Sakhi initiative truly special is its multi-faceted approach. From legal counseling and medical aid to long-term rehabilitation, it ensures that survivors are supported at every step of their journey toward healing and justice. Sakhi shelters are designed to be safe havens for women and children in distress, where they can find not only protection but also a sense of community, dignity, and hope.

In a world where victims of abuse often face societal stigma and personal trauma, initiatives like Sakhi are a beacon of light, reminding us that there is support available, and no one should suffer in silence.

Shri. R.S.Mulimani Principal I would like to thank all the organizers, participants, and stakeholders who have made this program possible. Your dedication to the cause is truly commendable. Let's continue to work together, not just to raise awareness, but to create lasting change for the betterment of our society.

Kumari Lakshmi Hadimani welcomed with prayer song. Shri S.R.Malagi IQAC Co-ordinator gave the welcome speech. Shri B.K.Kattimani NSS Program Officer introduced the chief guest. Shri

Celebration of Teacher's Day on 05/09/2024

Shri Veer Pulikeshi VidyaVardhak Samstha's Shri.S.B.Mamadapur Arts,Commerce &Science College has organized programme on under the IQAC and NSS Speech by Chief Guest Shri S.S. Mulimani on Teachers' Day Celebration, Respected Principal, esteemed teachers, dear students, and all the distinguished guests,

Good morning to one and all!

Teachers are not just educators; they are mentors, counselors, and role models. Their influence extends beyond the classroom, leaving an indelible mark on the character and values of every student they encounter. A good teacher does not merely impart knowledge, but inspires curiosity, builds confidence, and instills a passion for lifelong learning. As we celebrate Teachers' Day today, we must reflect on the profound impact that great teachers have on our lives, and recognize that their influence continues to guide us long after we leave the classroom.

The importance of teachers cannot be overstated. In a world that is constantly changing, where new technologies and challenges arise every day, it is the teachers who equip us with the tools to adapt, think critically, and become responsible citizens of the world. The lessons you impart go beyond textbooks—they teach us about life, empathy, and integrity.

I want to extend my deepest gratitude to all teachers for their dedication, passion, and perseverance. Whether in a classroom, a lab, a library, or a field, your influence stretches far beyond the walls of the school. You inspire, you challenge, and you support your students as they navigate their personal journeys toward success. Miss Laxmi Hadimani welcomed with prayer song. Shri S.R.Malagi gave the welcome speech. Shri,S.V.Angadi introduced the chief guest.
